About IDT

IDT Corporation, Inc. (NYSE: IDT) is a multi-national telecommunications company.

As one of the largest international voice operators worldwide, IDT has relationships with over 650 international carrier partners.

A pioneer of VoIP telephony, IDT released its first PC to Phone technology in 1996 and Phone to Phone model in 1997. IDT is also one of the world's largest debit/prepaid platform operators, selling millions of prepaid calling cards per month.
